How Would You Like Me to Personally Walk You Through the Exact Game Plan My Students Use to develop their painting style, build their confidence, and start showing and selling their art ... Absolutely for Free?

Dear Creative Woman,

Let's talk about RESULTS for a second:

Every day, my Transform Your Art clients are in our Facebook Groups, raving about their wins.

Their first painting sale...

Their first show...

Their first commission...

Painting for the first time in twenty (or more) years ...

In fact, if what's being posted on Facebook is any clue...

In the past 12 months, Transform Your Art has helped more people launch their dream of being an Artist than any online course or workshop they have tried.

The only question you need to ask yourself is, **"Do I want to make my art dream happen in 2019?"**

If the answer is YES, then I'd love to share with you how we're getting these kinds of results, and I'd like to share it with you for FREE.

Here's how it works...

Right Now, You're Probably Stuck on One of These 3 Things...

You want to feel more confident and be able to paint without the negative voices holding you back.

OR...

You want to feel recognized as an artist. You want to develop a style...and you want to move people with your art... and even have them buy your paintings.

OR...

You're getting lost in the process and you want a plan and the support to know how to get going on your paintings, finish them, and how to do it consistently, and joyfully...so that you can finally feel the purpose and fulfillment for *yourself*.

Which of those sounds more like you?

The good news is that whichever it is, I can show you a plan that will help you make it a reality...

...and I'll do it for FREE.

Consider this:

These are the kinds of results I get for my clients every single day. If I can do it for them, why can't I do it for you?

Here's How to Get Our Help for FREE...

I've set aside some time to speak to you over the next few days.

We'll get on the phone for about 45 minutes. On that call, we'll lay out a plan to help you do ANY or ALL of the 3 things we mentioned above.

This plan is going to enable you to **be painting consistently and confidently this year...and even start showing and selling you art...**

...without the doubts and lack of inspiration you've had in the past.

It's a bold promise...

But after seeing my clients accomplish these things over and over in the last 12 months, I feel very comfortable making it.

The plan we craft together will be SIMPLE, CLEAR, and light years ahead of anything you've heard from anyone else.

After all, I'm a professional, selling, showing and licensed artist, with clients like Trader Joe's and The North Face, and I'm also a Golden Paints Art Educator...And I've helped hundreds of women finally start to live their dream of being an artist.

My process works. And I know that if we work together, and you stay coachable, decisive, and resourceful, there is NO limit to what you can achieve with your art.

This invitation is going out to over 10,000 people right now, so as you can imagine, it's going to create a HUGE response.

That's why I need you to read this next part carefully:

This is NOT for Everybody. Here's Who I Can Help:

I'm VERY particular about who I'll speak with, and I have a strict (but reasonable) set of criteria that needs to be met in order for us to proceed:

1. You need to be open to providing REAL expression and passion in your art, so that others can be moved by your paintings.

This offer is for people who are heartfelt, lovers of life, and believers in living your best life. If you can do that, and you want to create your finest art and share it with the world...let's talk.

But, if you're looking to make commercial art just to sell, and paint what everyone else wants, this is not for you.

2. You MUST be an action taker who follows directions. That means you're coachable, decisive, and resourceful. (Don't worry - I won't ask you to do anything weird.)

If you like to "kick tires" or sign up for things and not follow through, this is NOT for you. Maintaining a 100% client success rate is VERY important to me. Please be someone who doesn't mess around, and is serious about results.

That's it - if you meet BOTH of those requirements, we're good.

Here's What I Want You to Do Next:

If you meet the criteria above, and you'd like to talk about making some incredible leaps with your art *this year*, then I'll happily set aside some time for you.

Here's what to do next: Head over to kelliedayart.com/booking/ and you'll see my calendar. Grab whatever appointment time works for you.

Then you'll be taken to my quick application form. It's very fast. I just need to know what you're currently doing with your art, and what you want to accomplish.

That's it!

The initial call will go 45-60 minutes, and it will be the BEST time you have ever spent working on your art.

WARNING - TIME IS A FACTOR!

This invitation is going out to 10,000+ people today, and there is only so much time available in the schedule.

It's physically impossible for me to work with more than a handful of people, so it's FIRST COME, FIRST SERVED.

If you feel like this is the right opportunity for you, click [here](#), leave your application, and let's talk!

Talk soon,

Kellie
